Lloyd's of London (which incidentally predicts Houston to become the world's largest city in some 50 years) has done an unique survey on paperclips.

Tracing the use of 100,000 paperclips, Lloyd's found:

--14,163 twisted or broken during phone calls.

--17,200 used to make temporary clothing repairs.

--5,434 as toothpicks, 5,201 to groom fingernails, 3,196 as pipe cleaners, 19,143 as chips in card games, thousands more dropped on the floor and swept away.

--Only about 23,000 used to clip papers together.

105-105-105

What's your paperclip quotient? We don't know how to trace the migration of paperclips, but the ones around this office probably fit most of the categories above.

105-105-105

Max McClaren, principal at Ben Milam School, reports his milk goat, Sheila, gave birth Tuesday morning to three kids.

They are named FDR, JFK and LBJ.

A trio of kid goats is unusual. The usual number averages two and often only one is born at a time, McClaren said.

Father of the triplets has the proud name of Algonquin.

105-105-105

WHOOOPS! "Sir, my wife said I was to ask for a raise."

"Good, I'll ask my wife if I may give you one."

Sentenced Men

Await Trial In

Two Other Cities

Two Austin men, who were recently given ten years confinement in the penitentiary by District Judge W. C. Wallace, are now awaiting trial on other charges in two Texas cities.

Gayle Chandler is awaiting trial in Austin. He was given ten years in each of four cases involving recent burglaries in Thorndale and Rockdale.

John B. Locke, who was given ten years in each of two cases involving burglaries at Rockdale, is presently awaiting trial at Sonoma.

Both men were sentenced by Judge Wallace on January 21. The sentence was based on the pleas of guilt made by the two defendants, according to John B. Henderson Jr., county attorney.

Association To Aid Mentally Retarded

An organizational meeting for an association to serve the needs of mentally retarded children and adults in this area will be held 7:30 p.m. Wednesday, Feb. 10, at the Lucy Hill Patterson Library, Rockdale.

A committee headed by the Rev. David W. Erskine and assisted by Mrs. James Throckmorton and Mrs. Lee Roy Carter has called the meeting and urges all physicians, teachers, ministers and others interested in child retardation to attend.

Similar groups exist in more than 700 cities and smaller communities in the United States, with 56 such organizations in Texas. "They work to provide educational training and recreational facilities in their communities for the nation's five million mentally retarded," Rev. Erskine said.

Annual Girl Scout Cookie Sale Starts

The annual Girl Scout Cookie Sale will begin at 4 p.m. Friday, February 5, in Cameron with registered Junior and Cadette Girl Scouts selling boxes of cookies for 30 cents.

Profits from the sale of cookies are used for the local Girl Scout day camp and Camp Tex-Lake. The sale will continue through February 28.

Robert Lehmann shows prize gilt

Buckholts Youth In Swine Venture

By Lois Sapp
News Editor

At the ripe age of 16, Robert Lehmann of Buckholts has ventured into his first business enterprise, that of breeding, raising and selling swine.

The initiative of this young farm boy and many others like him is very likely to prove that agriculture will not die in Milam County as long as there are ones who work and show potential of becoming a future rancher and farmer.

This potential was shown at the Show which drew a larger number of participants than ever before and a high grade of stock.

The young Buckholts sophomore showed three of his gilts in the show and won the grand champion and third and fourth places. But his interest in the swine business is much more than just a hobby and a goal to show his animals. He says he now thinks he wants to make his interest in swine grow into a future business.

Robert's start in the swine business was by accident or as he calls it a "stroke of luck." But with a lot of hard work and putting forth much effort, he is turning this "luck" into a fine operation.

He says his first gilt was won at a Milam County Farm Bureau picnic two years ago and he cared for the animal as a Future Farmers of America project.

His interest grew and with the encouragement of his parents, Mr. and Mrs. Edwin Lehmann, he started his business at their farm located one mile from Yarrington.

With a few acres of land his father had given him, young Robert began drawing up plans for adequate facilities. His father gave him one more helping hand and had the foundation poured for his buildings.

"Robert built by hand his farrowing house and his finishing house," his mother noted and continued, "he works in the summer

months for his father to get the money to re-invest and to buy feed."

Mr. Lehmann also furnished the water and electricity and Robert does the rest. He is now working on expansion plans.

Presently his business consists of two registered sows, one young registered boar, three young gilts and ten pigs. He says he is breeding his gilts trying to expand his business and is selling off his males.

When Robert graduates from Buckholts High School, he said he plans to attend college and hopes to major in animal husbandry.

The young boy knows that he and other farm boys are fortunate in that they can begin a business enterprise before acquiring their college education. This business knowledge and love of animals will return them to their homeland in Milam County after they receive this education.

Yoe High football boys will be honored at the annual Knights of Columbus Football Banquet at 7:30 p.m. Monday, February 8.

Grand Knight Joe Lee Vybiral said the banquet will be held at the K of C Hall in Cameron.

An interesting program is being planned for the event, Vybiral said. Barbecue will be served to those in attendance.

Tickets for the banquet will be sold at the door the night of the fete. No advance tickets are being sold.

Vybiral urged all members to attend.

Chrisco New Manager

Yates Appointed New Alcoa Post

Howard F. Chrisco, smelting works manager of Alcoa's Point Comfort Operations, March 1 will succeed Joe E. Yates as manager of the Rockdale facility, according to B. H. Sloane, general manager of Alcoa's Smelting Division.

Yates has been named managing director of Suriname Aluminum Co., a subsidiary of Alcoa. The company has large bauxite mining facilities in that small country on the northeastern area of South America.

Chrisco, a native North Carolinian, received his bachelor and master's degrees in chemical engineering from the University of North Carolina. He joined Alcoa at the company's Badin, N.C., works in 1933. He later served in various capacities at Alcoa's Massena, N.Y., Wenatchess, Wash., and Alcoa, Tenn., operations. He was named smelting works manager of the Point Comfort plant in 1960.

At Point Comfort, Chrisco has been active in community and state affairs. He is currently vice president of the Texas Manufacturers Association, a former director of the Port Lavaca Chamber of Commerce, and active in the Texas Chemical Council.

Yates returned to Rockdale as works manager in August, 1963. About 10 years before he first came to Rockdale as anode plant superintendent, then became aluminum plant superintendent and later production superintendent.

A new hydroelectric dam on the Suriname River is nearly completed and an aluminum smelter will be finished and operating late this year. Construction is under way on a bauxite refining plant.

Yates is in his 26th year with Alcoa and with his new post in Suriname again returns to foreign lands with the company. He helped establish Mexico's first primary aluminum smelter at Veracruz.

Shell Oil Tries Second Milam Co. Deep Test

Motel Expansion Plans Announced

Plans for the expansion and modernization of the Milam Motel in Cameron have been announced by owner Bassel Wilson.

Wilson said immediate plans include the building of a swimming pool at the business located on highway 36 and 77 at the east city limits of Cameron.

Engineers will be in Cameron Friday to make final recommendations on location, size and other specifications. Bids for the project will then be taken.

The swimming pool will make the motel modern in all respects, Wilson said.

Plans are also being drawn up for addition of eight new units to the 24 unit motel. Definite plans on the expansion will be

announced after architectural work has been completed.

The Cameron mayor purchased the motel in December 1964 from Mr. and Mrs. C. A. Jackett. The Jacketts had operated the business since it was built in 1953.

Mr. and Mrs. Fred Starnes manage the 24-unit brick and asbestos shingle motel for Wilson.

Rev. Wierth New

Ben Arnold Pastor,

Assumes Duties Sun.

The Rev. Clifford E. Wierth will assume his duties as pastor of the United Church of Christ at Ben Arnold on Sunday, February 7.

Rev. Wierth comes to the Ben Arnold Church from the Fifth Avenue United Church of Christ in Gary, Indiana, where he has been pastor since April, 1958.

A native of New Bremen, Ohio, the Rev. Wierth attended Elmhurst College, Elmhurst, Illinois; Central Seminary at Dayton, Ohio; and Eden Theological Seminary, Webster Groves, Missouri.

In addition to the Gary Church, Rev. Wierth has also served congregations in Peru, Illinois; North Peetene, Illinois; and Bellevue, Kansas.

The Rev. and Mrs. Wierth have two children: Margaret, a registered nurse, and Dean, now married and a student at Purdue University, Lafayette, Indiana.

The Ben Arnold congregation will have a Pot-Luck Dinner on Sunday to welcome Pastor Wierth and his family.

Since the death of the last resident pastor, the Rev. William Wuerz, the Ben Arnold congregation has been supplied by the Rev. Dr. Alan B. Peabody of Waco, Professor of History and Social Science at Paul Quinn College.

The morning service of worship at the Ben Arnold church begins at 10 a.m.

City, County Poll

Taxes Under 1964

County and city poll tax payments reflected the off-election year as both were low about 30 percent, officials noted.

Valter White, county tax assessor collector, said 3,018 Milam County poll taxes had been paid before the January 31 deadline.

City poll taxes paid totaled 623 compared to last year's 918, according to Buddy Fuller, city secretary.

Drive Collects \$755

MOD Basketball Benefit Saturday

Basketball takes to the limelight as activities for the 1965 March of Dimes campaign continues in the city.

Saturday's Bucket Brigade was termed successful as Cameron Lions and Rotarians collected \$265.35 in donations according to chairman Dr. John Martin.

Mothers March chairman reported the collection of \$490.45 in Monday night's march over the city making a grand total of \$755.80. Heading this year's march were Mrs. A. F. Matula, Mrs. W. K. Leonard and Mrs. F. W. Sapp.

The benefit basketball game will be played Saturday, February 6, at Yoe High Gymnasium. Game time is 8 p.m.

Cameron's team composed of local business and professional men will host the Inlanders Basketball Team of Temple. The Temple team is associated with the Temple Basketball Association and has played a number of teams in Central Texas in MOD benefit games.

Members of the Inlanders team are: A. B. Jistel, coach and player, Joseph Mondrik, Ray Thompson, Johnny Sefcik, Doug Trainor, Jerry Sparks, Frank Cagle, Pete Hargrove and Kenneth Kunkel.

Playing on the Cameron team will be Byron Wise, Durwood Cobb, Robert Moler, Herman Brown, Pat Dillon, Forrest Sapp, Cecil Williams, Clifford Angell, Burt Shumate and Joe Lee Heitman.

Petit Jury Ruling Favors Plaintiff

A 12-man petit jury ruled in favor of the plaintiff after hearing testimony in a fire damage civil trial in Milam District Courtroom last Wednesday.

The plaintiff, Mrs. Minnie Segar, was granted the full face amount of her insurance policy on her home in the Vogelsang Community that burned in March 1964. Defendant in the case was Germania Mutual. The jury awarded Mrs. Segar \$5,500.

Forty eight men were called before the jury was selected in the one day trial. Testimony was heard Wednesday afternoon and the jury brought in its verdict at 4:45 p.m. District Judge W. C. Wallace heard the case.

Jurors were Hugh Caffey, Roscoe Conoley, Frank Ruzicka, Leo Plachy, Alfred Dusek, William Zander, Antone Reinders, Neal Dodson, H. B. Darby, D. E. Williams, O. P. Organ and Antone Vrazel.

Bloodmobile Visit Prompts Review On Bloods Many Uses

With Friday's visit of the Red Cross Bloodmobile in view, hospital officials note the many uses of blood donations and urged participation in the Milam blood program.

Donations will be taken from 12 noon until 6 p.m. Friday at the Methodist Fellowship Hall in Cameron.

The hospital officials also cited one of their own associates, Dr. E. O. Smith Jr., who has contributed at each bloodmobile visit over the last ten years with the exception of twice giving a total of almost 5 gallons of blood.

Dr. Smith is among many interested citizens who donate to the bloodmobile program and others are urged to join them.

NONE WASTED
"None of the blood is wasted," hospital authorities noted and continued with the following information:

The main use of blood is the "Whole Blood Itself" which is used for transfusions when large amounts of blood have been lost as a result of accident, injury, childbirth and certain diseases.

Whole Blood may also be used for treatment of infections, chronic anemias and hemorrhage diseases. After 21 days in the cold storage vaults of the blood center, the blood cannot be used for direct transfusions. However, none of the blood is wasted.

Plasma, the liquid portion of the blood, is usually separated from the cells by letting the cells settle or centrifuging. Centrifugation is accomplished by placing bottles of blood in a machine which spins them around at high speeds until the cells have been pulled to the bottom of the bottle. The Plasma remains on top and is drawn off and is ready for use.

There are two types of plasma, fresh frozen plasma and liquid plasma.

MANY USES

Frozen plasma is used in the treatment of bleeding problems. Liquid plasma is used at hospitals in some emergency situations, but most of it is converted into fractions.

Breaking down of the plasma into fractions is done by a process known as selective precipitation. By mixing plasma with certain chemicals, the proteins can be separated individually as pastes. These pastes are quickly frozen and dried. The proteins appear as dry, white powders and in this form are stable and easily stored. Later they are dissolved, sterilized and packaged.

Fractions now available for medical use are Serum Albumin, Gamma Globulin, Vaccinia Immune Globulin and Fibrinogen.

Treatment of certain kidney and liver diseases and severe malnutrition is by use of Serum Albumin. It is also used for emergency cases such as accident and shock victims, particularly where blood is not available or time does not permit use of whole blood.

Gamma Globulin is able to modify or prevent measles. It also is effective in preventing infectious Hepatitis, a virus infection of the liver.

VACCINATIONS

Vaccinia Immune Globulin is used in the management of complications resulting from smallpox vaccination.

Fibrinogen is essential to blood clotting. It is used in certain cases of hemorrhage in which the patient's own Fibrinogen has been destroyed.

In addition to whole blood and its fractions, the Red Cells which were left in the bottom of the bottle, when the plasma was withdrawn, are also used. They are used to treat certain anemic conditions in which there is no need for additional Plasma in the blood.

"Blood is needed continuously week after week, so please be generous as the life you save with this blood may be your own or that of a loved one," urges the St. Edward Hospital heads.

Nell Ross Wildcat Schedule 15,000ft.

By Lloyd Albertson
Shell Oil Company, who drilled a deep Smackover wildcat in southeastern Milam County last year, is preparing to drill again on its big lease block in that area.

Shell's new wildcat will be the No. 1 Nell Ross, and is permitted to 15,000 feet or the Smackover. Location is approximately one mile north of the company's No. 1 Adoue Estate failure drilled last year. It is 8 miles east of Milano and about 4 miles southwest of Gause.

The Ross wildcat is in Fernando Rodriguez Three League Grant and part of a 3,000 acre tract in the southwest corner of the survey.

Reportedly it will be necessary to build a board road in to the

drill site before rig and other equipment can be moved in, but some reports had it that this was already under way. At least one section of the board road run to the Adoue Estate wildcat last year can be used, it is believed. The drilling location is in a sandy area and has been made worse by recent rains.

The No. 1 Nell Ross will be the second attempt by Shell to find the elusive Smackover here in Milam County. Last year the company's No. 1 Adoue Estate was spudded on January 27 and drilled to 14,457 feet, where it was bottomed in salt and lost drill collars and bit in the hole. When a fishing attempt by the drill crew failed, the wildcat was plugged back to 11,800 feet and an attempt was made to whipstock out and sidetrack around the junk, but this new hole was drilled only to 11,270 feet. The Adoue Estate was plugged and abandoned on June 4 -- and became, in the parlance of the oil patch, just "another million dollar post hole."

Approximately sixteen miles south of the No. 1 Adoue Estate, Pan American Petroleum Corporation drilled another Smackover wildcat last summer -- the No. 1 Willy Matejcek in Lee County about four miles from Dime Box. Pan Am drilled the wildcat to 16,500 feet and while it found the Smackover, there were no shows in the formation and the wildcat was abandoned.

Despite these two failures in the area, Shell has retained its big block of leases, reportedly between 15,000 and 20,000 acres, in Milam County. Several other major companies, among them Pan American, Texas Company and Sinclair, also have sizeable lease holdings in eastern Milam County.

GIRL SCOUT FUND DRIVE KICK-OFF SET FOR TUESDAY

A kick-off breakfast Tuesday, February 9, will get the 1965 Girl Scout fund drive underway, according to chairman Henry Siebman. Co-chairman is Forrest Sapp.

Workers and chairmen will meet at 7 a.m. at the Texan Cafe to map out the work that will be needed to meet the \$1,200 goal.

Siebman said workers will be given cards and will contact persons in the residential and business district for their contributions.

"The Girl Scouts is a really fine organization", Siebman noted and added that a good deal of the funds collected are used in this County. Another portion is used for Scout camps and lakes which the girls may attend annually.

PTA Program On

American Heritage

Junior Historians, directed by Miss Ada Margaret Smith, will present a program on American Heritage for the Cameron Parent Teachers Association meeting to night (Thursday) at Ben Milam Cafeteria.

A 10 minute film on the detection of cancer for men and women will also be shown. PTA officials announced that baby sitting will be provided for those attending the meeting.

Wentreck Elected

Rogers Bank V-Pres.

James Wentreck, 30, has been elected to the board of directors and named vice president of the First State Bank of Rogers.

E. A. Smith Jr., president of the bank, said Wentreck also will continue to handle his previous responsibilities as cashier.

Wentreck, a 1958 graduate of Baylor University and a former Temple Junior College student, is married to the former Mildred Schiller.

Manley Named To Annapolis

Cong. W. R. "Bob" Poage has announced the appointment of Larry Paul Manley to the US Naval Academy at Annapolis, Maryland.

Manley, a 17 year old senior at Yoe High School, received the appointment through the recommendations of Cong. Poage, Cameron Head Coach George Kirk was notified Tuesday.

In a letter to the Cameron school, Cong. Poage said he was pleased to announce the principal appointment of the Cameron youth. Upon satisfactory meeting the qualifications on various examinations, which are physical as well as scholastic, Manley will be afforded the appointment to attend a college education at the academy.

Coch Kirk said Manley will take the examinations in the spring and if he meets the qualifications he will be playing football for the naval academy next year on the freshman team.

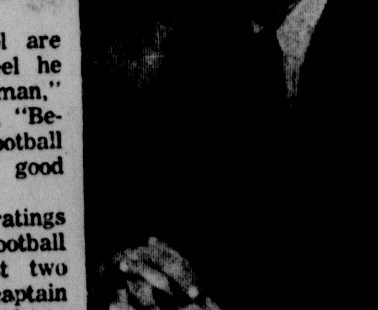

"We at Yoe High School are very proud of him and feel he is a very outstanding young man," Coch Kirk said and added, "Besides being a real fine football player he is also a real good student."

Manley has achieved top ratings both in scholastic and football endeavors during the past two years at Yoe High. A co-captain on this year's district 17-AA championship team, he won a place

on the All-District offensive team for his work at center and on the defensive team as linebacker. He also was named to the Temple Telegram All-Central Texas team.

Along with his athletic abilities, Manley has one of the highest scholastic ratings in his senior class and is a member of the National Honor Society.

The son of Mrs. Elvin Hoskins of Cameron and James Manley of Houston, Larry Paul is also active in scouting and work in the First Methodist Church.

Larry Paul Manley

Cost-Share Program Approved For Milam Bottomlands Drainage

By SCS Office

One of the most valuable resources of Milam County is the level, deep bottomlands that lie along the rivers and creeks in the county. This land covers about 90,000 acres and represents almost 15 per cent of the total acreage in the county. It is relatively fertile and seems to have few soil and water problems that would limit its use and productivity.

However, according to recent conservation needs studies, this land was found to have drainage problems on about 50,000 acres. This problem is caused by washouts, sloughs and obstruction that leave ditches, small ponds and wet

Maysfield News-

By Mrs. J. P. Wise

Mr. and Mrs. Billy Yager and children of San Marcos spent the weekend with his parents, Mr. and Mrs. E. D. Yager.

Mr. and Mrs. Leroy Massengale took their nephew, Mike Messengale, to Stephenville Sunday. He will enroll at John Tarleton college for the next semester. Mike is the son of Col. and Mrs. Herbert Messengale, now stationed in Paris, France.

Bob Newton of Austin visited his parents, Mr. and Mrs. Roy Newton, Thursday.

Mr. and Mrs. Garland Williams of Rockdale spent Sunday with her parents, Mr. and Mrs. E. S. Hollingsworth.

Mrs. John Thweatt returned to her home Sunday after a week's visit with her daughter and family. Mr. and Mrs. Paul Kieck.

Mrs. W. C. Freeman returned home Friday from Dallas where she visited her daughter, Mrs. David Mohney and family, the past two weeks.

Auction Report

There was a little heavier run at the Cameron Livestock Auction last Thursday than last market. Prices were steady to 50 cents higher on most classes and all stocker calves sold on a very active market. Some heavy stocker steers (over 700 pounds) sold very active and 50 cents to \$1.00 higher.

Prices paid were:

Cotton Acreage Reapportionment Rule Modified

The recent regulation limiting reapportionment of cotton acreages has been modified, according to Alva E. Sanders, office manager of the Milam County Agricultural, Stabilization and Conservation Service.

To those farms requesting additional acres, the county committee will now be permitted to reapportion enough acres to bring the effective allotment up to 33 acres or 75 percent of the cropland, whichever is higher.

Previously, the new regulation limit was the higher of 33 acres or 50 percent of the cropland.

With this relaxation of requirements, most farms in Milam County will have their requests filled, provided enough cotton acres are released in the county, Sanders said.

HOME DEMONSTRATION

By Anna Marie Ramke

Home Demonstration Clubs in Milam County have had an increase in enrollment in the past year with 15 new members bringing the total membership to 102 in the county. The Texas HD association in Milam County's goal for 1965 is to organize new clubs where needed with special emphasis on young homemakers throughout the county. Work is being carried on throughout the county to do this, with Gause and Rockdale in the process of organizing, and Milano in the process of reorganizing.

The Gause HD Club is in the process of enrolling a possible total of 15 new club members. Their officers are Mrs. Brown Ely, president; Mrs. Frank Alford, vice president; Mrs. John Todd, secretary and council delegate.

The Rockdale HD Club is organized with a total of eight members. The officers are: Mrs. Robert Orr, president; Mrs. Leon Noack, vice president; Mrs. B. J. Chaney, secretary and Mrs. Johnnie Mail, council delegate.

The Milano HD Club is in the process of reorganizing and officers were elected in January for the new year. They are: Mrs. M. W. Wimberley, president and Mrs. John Yoakum, council delegate.

The present 4 HD Clubs in Milam County sincerely welcome these 3 new HD Clubs.

The Wabash River was named for the Indian word "ouabache" meaning white.

Pike as a name for a highway is a contraction for "thurnpike," the bar on old toll roads.

-MILANO NEWS-

By Mrs. John Myrick

A birthday supper was given in honor of Mrs. C. J. Stevenson Friday night in the home of her daughter, Mr. and Mrs. G. C. Sloan, on her 83rd birthday. Those attending were her daughters, Mrs. Collier Gerdes of Caldwell and Mrs. John Myrick of Milano; her granddaughter, Mr. and Mrs. Franklin Beran of Deannville; Gratt Sloan of Brenham and Mrs. Bessie Brooks.

Mr. and Mrs. Wesley Woods accompanied by Mrs. Ray Corbin visited Mrs. Fred James who is a patient in the Hearne General Hospital.

Guests in the home of Mrs. Lila Smith and Corral over the weekend were her son, David Smith of Freeport, and Mr. and Mrs. Will Dolman and children of Brenham.

Herman "Buddie" Smith of Freeport visited over the weekend in the home of his grandfather, Alfred Smith, and his aunt, Miss Annie Mae Smith.

Gary Westbrook visited over the weekend in the home of his aunt, Mr. and Mrs. Eldon Ball and family in Rockdale.

Rev. Jim Barnett of Caldwell was visiting friends here Saturday.

Guests in the home of Mr. and Mrs. Bazil McGregor last week were Mrs. U. B. Satterwhite of Buckholts and Mrs. Frank Lands of Waco and Winton Walker of Rupert, Idaho.

Mr. and Mrs. Harvey Clanton accompanied by his brother, David Clanton of Caldwell, were guests

in the home of her sister, Mrs. Frank Fussell.

Billy Joe Haddock of Temple visited in the home of his mother, Mrs. Lewis Haddock, Saturday.

Mr. and Mrs. Clarence Sims of Copperas Cove visited in the home of her parents, Mr. and Mrs. Lloyd Fugerson, and his mother, Mrs. Charley Sims, over the weekend.

Mr. and Mrs. Zeff Morgan Jr. and Jerry and Lou Ann of Bryan visited his parents, Mr. and Mrs. Zeff Morgan. They also visited his sister, Mrs. Delbert Yarbrough of Rockdale who is a patient in the Newton Hospital in Cameron.

Mr. and Mrs. Jimmy Belt of Baytown visited in the home of her parents, Mr. and Mrs. D. M. Westbrook and her uncle, Hoodie Hairston, and his parents, Mr. and Mrs. Jim Belt Sunday.

Mrs. Betty Bullock has returned home from the Richards Hospital

4-H CLUB

The 4-H Electric Club met 7 p.m. January 7 in the extension office with 8 members present. Members and leaders discussed joining wires together, stepping high voltage down to regular voltage and grounding wires. The next meeting of the club will be held at the extension office in February.

News was received that Mrs. Dan Robinson who has been convalescing in the home of her daughter, Mr. and Mrs. Howard Manley in Temple, after having surgery some time ago in Kings Daughters Hospital has returned to the hospital for treatment where she is now a patient.

County Exceeds '64

Savings Bond Goal

Milam County exceeded the U.S. Savings Bond sales goal set for 1964 by \$1,181.47, according to Henry Siebman, Milam County bond sales chairman.

Goal for 1964 was \$360,000, cumulative sales in Milam County were \$478,147. Sales in the county during December 1964 totaled \$39,040.

Henry Skupin of Houston spent the past weekend with his parents, Mr. and Mrs. Emil Skupin and David.

Mrs. J. A. Blasienz spent Wednesday night in Rosebud with Mrs. L. L. Chapman.

HAPPY PEOPLE...
their home is **ELECTRICALLY HEATED**

So perfect the
COST OF OPERATION
CAN BE GUARANTEED
in writing!

An ever-increasing number of wise homeowners are enjoying the many advantages of flameless electric heating... advantages such as amazingly even temperature... furniture, walls and curtains that stay fresh longer because there's no fuel combustion... and increased value of home investment.

Electric heating is your best buy today and in the years ahead. Electricity is the only fuel whose cost trend has been consistently downward... now less than half that of 25 years ago... and TPL's home-heating rate is now as low as 1¢ per kilowatt-hour.

For complete information about electric heating... including a written guarantee on the cost of operation... see any of the firms in your area displaying the "Certified Electric Heating Dealer" emblem.

Milam Technical Action Panel Hears Report On Soil Testing

The Milam County Technical action panel met Jan. 27 at the ASOS office in Cameron with Henry N. Ivey, county supervisor for Farmers Home Administration and chairman of the panel presiding.

Alva E. Sanders, ASOS; Wayne Mann, SCS, J. D. Moore and Charles Henson of the Extension Service; Henry Siebman and John A. Smith representing Milam County Program Building Committee were present. Joe Walzel and Harry Bauerschlag, senior students at Texas A&M, attended as guests of the county agent, J. D. Moore.

It was reported that 168 soil samples had been returned by the laboratory at Texas A&M giving an analysis of soil type and recommendations for proper kinds and amounts of fertilizer to be applied to Milam County farms for best results. It is anticipated that this number will be more than doubled during February and March, as an all-out effort will be made to inform farmers in the area of the need and advantage to them as a result of soil testing.

The Bangs eradication program, scheduled to get underway in

March and April, was discussed and panel members brought up to the most recent developments in making final plans for the successful use of this program by farmers and ranchers in the county.

The panel learned that Boyd Andrews has recently been appointed recreation specialist for the Extension service and will be available to the county and communities in planning recreation enterprises within the county. A tentative date for a meeting was set for Feb. 22 or 23 in the District Courtroom in Cameron under the direction of the County Program Building Committee and with Mr. Andrews as the featured speaker and information on Farmers Home Administration financing for recreation projects being given by Henry N. Ivey.

Yoe Takes 2 Dist. Wins

Tigers-Yoemen Meet Friday

Coach Andy Springer's fighting Yoemen will host the 17-AA District championship contender Friday with hopes of turning the tables on the Rockdale Tigers.

With two wins in District play, the Yoemen are tied with Caldwell for second place in the district.

Rockdale has gone undefeated in district play and has only two games remaining after the Cameron game Friday. They will play Navasota Feb. 9 and Caldwell will be their last game and is scheduled for Feb. 12.

The Yoemen have only one other game remaining and will finish the season at Navasota.

CALDWELL-YOE

Accurate shots from the free throw lane gave the Cameron Yoemen the edge they needed to down the Caldwell Hornets Friday night 69 to 52 for their second District 17-AA win of the season.

During three quarters the Yoemen hit their free throw attempts with 100 percent accuracy and missed only three the entire game for 26 out of 29.

The third quarter was also the

turning point of the ballgame. Cameron's Yoemen came from behind 24-27 at halftime and scored 19 points in the third period. The Hornets picked up only nine points.

Ace scorer for the Yoemen was Mack McKinney who racked up 21 points. Skrabanek paced the Hornets hitting for 18 points.

In the first half, the Yoemen made only 33 percent of their shots but caught fire in the last half and racked up 87 percent, for an average of 58 percent.

NAVASOTA-YOE

The Yoemen racked up their first district win last Tuesday when they outplayed the Navasota Rattlers 53 to 33.

McKinney again led the Yoe scoring with 14 points. McDaniel scored 11 points to pace the Rattlers scoring.

The Yoemen took an early lead, scoring 12 points in the first quarter to the Rattlers 3. At halftime, the Yoemen led 24-15 and at the end of the third period Cameron led 37-21 making it a Yoemen ball game all the way.

B-TEAM PLAY

The Cameron B-team won one

and took one loss last week in basketball play.

Last Tuesday they blasted Navasota's B-team 57-17 with James Hoskins leading the scoring. He hit for 15 points.

Friday night B-team action was an exciting match of wits and accuracy as Cameron and Caldwell fought it out to a 45-45 score at the end of regulation play. In overtime play, Caldwell took the lead by one point edging the Yoemen 49-48.

Hoskins again led the scoring with 12 points. Ace scorer for Caldwell was Skrabanek with 18 points.

Hearne Basketball Team Draws Two Year Probation

The Hearne Eagles basketball team has been put on probation for two years, according to officials.

Interscholastic league officials ruled last week on the probation due to an infraction of the rules. The infraction was that one player had participated in four tournaments instead of the maximum of three tournaments in one season.

The probation makes it impossible for Hearne to win the district championship title for two years.

Cameron officials have not as yet been notified as to whether the games Hearne has participated in this year with other district 17-AA teams will be included in team standings.

If the Hearne games are not considered, the Yoemen will be tied for second place in the district with Caldwell. Otherwise they will be in third place. Rockdale leads the district with an undefeated record.

Cameron 7th, 8th, Teams Nipped By Hearne Monday

Cameron 7th and 8th grade basketball teams lost two close ones Monday night when they met the Hearne Eagles.

In 8th grade play, Cameron was nipped 44-41 in a game that was close all the way. In the third period Cameron led by one point but was unable to hold their lead.

Scoring for Cameron was paced by Jim Lester with 27 points. The other scores were tallied by James Nachlinger, 5; Gary Curtis and Danny Monroe, 4 each, and John Urban, 2.

Hearne scoring was led by Headaway with 16 and Neal with 15. Also scoring was Ely with 6, Capera 4, Davend 3, White 2 and Zeig 1.

The loss gave the 8th grade team a 2-6 record for the season.

In 7th grade play, Cameron was nipped 27-24 giving them a 1-5 record for the season.

Kermit Smith led the scoring with 9 points followed by Bill Perrin with 7, Sammy White and David Bowen both scored 2 and Larry McLerran hit for 4.

Scoring for Hearne was led by Dagilio with 17 points. Galager scored 4, Cox 3, Rustino 2 and Reid 1.

THURSDAY GAME

Thursday night the 7th and 8th grade teams will travel to Rockdale for their last basketball game of the season.

Seventh grade action will get underway at 5:30 p.m. followed by the eighth grade game at 6:30 p.m.

Bowling Tourney Opens Play Sat.

Cameron's 9th annual City Women's Tournament play will get underway this weekend, February 6 and 7 and will run through the following weekend, according to tournament chairman LaVerne Slavik.

Over 100 women in the Cameron Women's Bowling Association have entered the tournament and will be competing for 15 trophies and arm patch awards. The tourney will be held at the Cameron Lanes.

Mrs. Slavik said team events will be bowled the first weekend and doubles and singles will be

bowled in the second week of play.

Following the tournament, a luncheon will be held at which time the winners will be presented awards.

Trophies and arm patches will be awarded to the first place team, first place doubles, first place singles, in each of the first places in the Cameron special all-events composed of five classes: all-events with handicap and all-events scratch.

A total of 21 teams have entered the annual tournament. Play will include 29 doubles and 58 singles.

Hope Church To Hear Missionary

A missionary to the Papuan tribesmen of northern New Guinea for the past 26 years, the Rev. John Hafermann will be the guest speaker Sunday 10:15 a.m. at Hope Lutheran Church, Buckholts, according to J. A. Pietsch, pastor.

Coming to the American Lutheran Church's New Guinea mission field about two years prior to Japanese occupation, Missionary Hafermann witnessed cruelty, imprisonment and martyrdom among fellow missionaries and the native church when the Japanese struck.

He was one of the survivors when a Japanese troop ship, on which he and other missionaries were shipped as prisoners to Hollandia, was strafed by American aircraft, resulting in death for 21 Roman Catholic and 7 Lutheran missionaries. One of the casualties was a native of Seguin, Texas, the

Rev. Hans F. Ander Jr., whose grandfather, the Rev. Th. Ander, was pastor of the Lutheran church at Detmold, in the southern part of Milam county, around the 1915's.

Hafermann and other missionaries who survived the Japanese occupation spent some 15 months in prison camps, being ultimately freed by the Alamo Scouts under Lt. Gen. Eichelberger, one of Gen. MacArthur's chief officers.

Missionary Hafermann will also address the Hope Lutheran Sunday School on Sunday morning, 9 a.m., using colored slides for illustration. The missionary's wife, an Australian by birth, will give a separate presentation to the Nursery and Kindergarten classes.

BIRTHS

To Mr. and Mrs. Stanley Joe Glaser, Route 2, Buckholts, a girl, Jocelyn Lanice, 7 pounds 10 ounces, born January 18 at King's Daughters Hospital, Temple. Grandparents are Mr. and Mrs. Edwin F. Fischer and Mr. and Mrs. Joe Glaser of Buckholts. Great grandparents are Mrs. Fritz Glaser of Buckholts and Mr. J. W. Marek of Burlington, Mo. Glaser is the former Miss La Velle Fischer.

To Mr. and Mrs. Ralph Kahlig of Temple, a girl, Barbara Denise, 7 pounds 6 1/2 ounces, born January 25. Grandparents are Mr. and Mrs. Arnold Rummel of Cameron and Mr. and Mrs. George Kahlig of Burlington. Great grandparents are Mrs. Otto Luebo of Westphalia, Barbara is also welcomed by two brothers, David and Charles. Mrs. Kahlig is the former Norma Rummel of Cameron.

To Mr. and Mrs. Martin Mendoza of Buckholts, a boy, 6 pounds, born 2:54 a.m. February 3 at St. Edward Hospital.

PERSONALS

and Janet left Wednesday on a business trip to Monterey, Mexico. They plan to return during the weekend.

Mr. and Mrs. C. G. Swift III have moved from Denver, Colo., to Houston. They visited his parents, Dr. and Mrs. C. G. Swift, in Cameron this week.

Girl Scouts Present Delphian Program

Cameron Girl Scouts presented the Delphian Club program at their meeting Tuesday afternoon in the home of Mrs. R. G. Gra-bein.

Mrs. W. R. Newton Sr. was co-hostess and Mrs. E. A. Perrin was program leader.

Mrs. Lester Williams, a member of the Board of Directors for the Girl Scout District, introduced the Scouts and described the program in Cameron. Mrs. Williams, who has been active in Scouting for 23 years, said the work "continues

to be a challenge." There are 115 girls enrolled in Girl Scouts this year in Cameron.

Displaying arts and craft projects were Susie Brown, Margaret Perkins, Virginia Jeter and Kathryn Kahler.

Mrs. J. H. Thomas presided at the business meeting and called for reports from all Club officers.

Following the program hot tea, cherry pie and cheese hors d'oeuvres were served to 16 members and guests.

BASKETBALL STRATEGY — Coach Andy Springer gives his team a briefing and adds a few pointers during a time out in the Yoe - Caldwell game.

Team members pictured are Mack McKinney (back to camera) and from left Judson Smith, Laurence Laffere, James Vogelsang and Dicky Ponder.

Cameron Takes Hearne 61-48

Mack McKinney led the scoring for the Cameron Yoemen Tuesday night as they outscored the Hearne Eagles 61-48 in District 17-AA play.

It was revenge for the Yoemen after being defeated about 20 points by Hearne earlier in the season. The win gave the Yoemen a 3-3 district record.

McKinney racked up 21 points with short drives around the free throw line and also hit 13 out of 16 free shots. Laurence Laffere added another ten points and Dicky Ponder hit for 8.

Martin and Mathis led the Eagles attack with 13 and 11 points respectively.

It was a Cameron ball game all the way. At the end of the first period the Yoemen had a slim 12-10 lead and continued

their two point lead to halftime when the scoreboard read 24-22. The Yoemen pulled further ahead in the third period 50-34 and lost only three of their lead points in the fourth quarter.

B-TEAM PLAY

Cameron was also on the winning side in the B-team contest and took a 61-38 win over the Hearne B-team. The win gave them a 7-4 season record.

James Hoskins paced the scoring with 18 followed by Mike "Bull" McDaniels who scored 11.

High point men for Hearne were Hanks with 13 and Sweet with 12 points.

The Cameron squad led scoring all the way having 12 to Hearne's 7 in the first quarter, 27-22 at halftime and 50-32 at the end of the third quarter.

Cynthia Edelman

Rolls High Score In

Nightlighters Race

Cynthia Edelman rolled the high series and high individual game in the Nightlighters bowling race last Thursday with 519 and 200 to place third in the high league average standings.

Kathy Betchan bowled the second high series with 472 followed by Gloria Neely with 464. Neely also rolled second high game with 173. Carolyn Ostendorf rolled a 168 game to place third.

Ida Michalka holds the high league average with 142 followed by Gloria Neely with 142.

Thursday's bowling saw Rockdale State Bank continue to pace the Nightlighters with 42½ wins and 29½ losses. McLeod Insurance is second with a 40-32 record.

Dunn Drilling and Prewitt Drug are tied with 36-36 records and Yoakum Housemoving and Butter Krust are tied for 4th with 35½-36½. Dairy Queen has a 34½-37½ record and Viv-Rae's holds a 26-44 record.

High team series was rolled by Dairy Queen with 2046 followed by Rockdale State Bank with 1985 and Butter Krust 1959.

Viv-Rae's rolled the high single team game with 714 followed by Dairy Queen with 697 and Butter Krust with 687.

Dairy Queen holds the high team average with 628. Rockdale State Bank holds a 619 standing and Butter Krust 611.

Phone Service

Snagged By Crane

The boom of a crane snagged telephone wires near Buckholts Wednesday afternoon and eliminated contact with information and long distance operators in Temple for about an hour and a half.

Wires were damaged about 1:15 p.m. Wednesday and were back in operating order by 2:45 p.m., according to Ed Vincent, Cameron wire chief, Southwestern Bell Telephone Co.

The crane belonged to McKinney & Jones, contractors, working on the new US 190-SH 36 from Cameron to the Bell County line.

Contact with Temple service for the Cameron exchange was out during the repair period.

County Judge Don Humble signs proclamation designating February 8 - 13 "Farm Bureau Membership Week" in Milam County. Observing the signing are (left) V. L. (Buck) Angell, Milam County Farm Bureau President, and (right) H. M. Yager, chairman of the local county Farm Bureau Membership Committee. The membership week is part of a push to boost statewide membership to 100,000 by Oct. 31, 1965.

Book Reviewed For Lutheran Women
Pleasure-Profit Club Meet For Studies

The Pleasure and Profit Club met at the home of Mrs. E. J. Burkes Thursday afternoon with 16 members and 2 guests, Mrs. Emmett Carson and Mrs. E. D. Chandler, attending.

Pecan pie and coffee were served preceding the meeting.

The program, a review of the book, "The Silent Meow" was given by Mrs. S. D. Ripley.

HOSPITAL NOTES

Patients at St. Edward Hospital are: Mrs. Clara Allen, Mrs. Edna Lee Butler, Mr. C. T. Burnett, Dr. T. E. Crump, Mrs. Leona Crouch, Mrs. Charles Dockall, Mrs. Eula Fay Dicky, Gregory Geline, Mrs. Homer Harris, Mrs. Annie H. Littleton, Mrs. Mattie A. Ledbetter, Mrs. Martin Mendoza, Mr. D. Montez, Mrs. Effie M. Price, Mrs. Juanita Pollard, Mrs. Edward L. Pavelek, Mrs. W. J. Storey, Mr. Frank Seibert and Mrs. Annie C. Williams.

The 8 circles of Hope Lutheran Church, Buckholts, met this week for their February Bible study, "The Lair of Love" based on Matthew 22:37-39.

The Priscilla circle met at the home of Mrs. L. N. Ezzell with Mrs. Arnold Glaser leading the study. Mrs. J. P. Fuchs was hostess for Hope with Mrs. Alvin Fuchs study leader. The Ruth Circle met at the home of Mrs. Ernest Fuchs Jr. and Mrs. John Pietsch led the study.

Mrs. Harold Fuchs was hostess for the Rebekah Circle and Mrs. Arnold Jungmann led the study. Mrs. B. L. Massingill was hostess and study leader for the Martha Circle.

The Mary and Dorcas Circles met in Cameron at the homes of Mrs. Fredwill Horning and Mrs. A. J. Provasek with Mrs. Monroe Fuchs and Mrs. Leo Fuchs leading the studies. The Naomi Circle met in Rogers at the home of Mrs. Bob Persky, who was also study leader.

Rites Friday For

Mrs. Joe Hrachovy

Mrs. Joe Ludmila Hrachovy, 93, died in a Cameron hospital Wednesday. Funeral services will be held 10:30 a.m. Friday, February 5, from the Seaton Brethren Church with the Rev. F. J. Kostohryz officiating. Burial will be in the Seaton Cemetery.

She is survived by four sons, Joe Hrachovy, Charlie Hrachovy, John Hrachovy, all of Buckholts, and Rudolph Hrachovy of San Antonio; three daughters, Mrs. Mollie Kolar of Cameron, Mrs. Bertha Simek of Temple and Mrs. Bessie Chadej of Dallas; 33 grandchildren; 59 great grandchildren and 9 great, great grandchildren. Pallbearers will be the grandchildren of Mrs. Hrachovy. Morek-Burns Funeral Home is in charge of arrangements.

Coffee Saturday

Honors Miss Reno

Miss Rebecca Harden honored Miss Elizabeth Nnn Reno at a coffee Saturday morning.

Miss Reno is the bride-elect of Mr. Roy E. Howard of Houston. Their wedding date is February 20 in Houston.

Forming an informal receiving line at the coffee were the honoree; her mother, Mrs. Fred F. Reno; and the prospective groom's mother, Mrs. Roy Howard Jr., all of Houston.

In the dining room a coral cloth covered the refreshment table and an arrangement of coral pom-pom mums in a large silver vase centered the table.

Included in the houseparty were Mrs. Walter Sharp, aunt of the honoree, Miss Suzanne Lippman, Mrs. John A. Smith, Mrs. Niley J. Smith, Mrs. Bill McIntosh and Mrs. Make McDermott.

IN THE SERVICE

FORT LEONARD WOOD, MO. Army Pvt. Johnny M. Tepera, 24, son of Mrs. Frances A. Tepera, Cameron, completed a field communications crewman course under the Reserve Enlistment Program at Fort Leonard Wood, Mo., Jan. 28.

During the eight-week course Tepera received instruction in the installation and maintenance of telephone communication equipment.

He was graduated in 1959 from Yoe High School in Cameron and received a bachelor of business administration degree from St. Edwards University in Austin.

'Rewarding' Experience . . .

Triumph of character may seem a little thing in a modern strain of science, fact and fun.

For two young Cameron men, it has brought considerable achievement.

Mike Perrin, the former, has been named to a high school All-American team; Larry Paul Manley, the latter, has been appointed to Annapolis.

It happens these two young men inspired the finest of character in a 1964 Yoe football team that won its first undisputed conference championship in 13 years.

Mike, as well, has been sought by half a dozen Southwest Conference

schools for collegiate football.

Brighter even than the alert minds or physical stamina of these young men was that certain spark, that certain commitment.

It was character, the attribute that Sir Winston Churchill, the indomitable figure, held to its 20th Century high.

Oddly enough, it is not popular in its restrictions until one understands Ralph Barton Perry's: "Freedom is not doing as one pleases, but doing as one chooses."

It takes character to choose. And as they chose, we see how a combination of ability and character were twice rewarded.

Peace Corps Report

One of the most attractive pieces of literature floating around Washington these days is a newly released 92-page blue paperback volume titled "3rd Annual Peace Corps Report." In prose and pictures, with only four pages of supporting charts, the report presents a study of achievement to bring joy to the heart of any admiring citizen.

As one might expect, the report contains endorsements of the Peace Corps from abroad; a section attesting to the success Peace Corps workers have had in being accepted as non-political representatives of the United States, even in strife-torn countries where our Government is under attack; and a budget review that shows the Corps has been steadily reducing the cost per volunteer.

Not so expectedly, letters and reports from volunteers are presented with the obvious intent of deglamorizing the Peace Corps. "A really good Peace Corps program receives little credit," writes a worker from Peru. "Nothing spectacular—but there you are," chimes in a report from the Ivory Coast. The

intent is to fight what the report labels "the Peace Corps image"—"a sweaty but wholesome American youth, motivated by visions of self-sacrifice and adventure, who is living in a mud hut in a jungle, somewhere across the seas."

There is a suggestion, too, that the Peace Corps is already playing a role on the domestic scene. Speaking of the volunteers who have returned home, the report says "but most of all they were alike in resisting adjustment to anything they regarded as routine or unexceptional, in their restlessness, and in the search for challenge and continuing involvement that they brought home with them."

Whether the Peace Corps, with 10 - 000 volunteers now abroad and another 900 in training, will stabilize after filling President Johnson's call for 14,000 remains to be seen. Still, this report and pending requests for some 60,000 workers indicate that we can expect Peace Corps volunteers and alumni to play an expanding role.—The Washington Post.

Dateline Austin . . .

Education Rates Highest Priority

By Vern Sanford

AUSTIN — Education still rates top priority in the State capital. But it was viewed in a new light after Gov. John Connally revealed his program to the State Legislature.

Connally took the suggestions of his Committee on Education Beyond the High School that a strong coordinating board be created to administer State colleges and universities. He adopted its plan to put public junior colleges under that board and then told the Legislators the State should assume full financing of instructional costs of junior college academic programs.

3-BOARD COLLEGE SYSTEM — Real surprise in Connally's approach to higher education came in his proposal that all existing college and university boards of regents be abolished and the higher education institutions be re-grouped into three systems.

Even this idea held an added surprise, since Connally recom-

mended establishment of an agricultural and technical university in San Antonio, to serve all of South Texas.

Under the three system approach, there would be a University of Texas System composed of the University of Texas in Austin, Texas Western College, Arlington State College, North Texas State University, Texas Woman's University, University of Houston, Texas Southern University and all medical and dental units.

Texas State University System would consist of A&M University, Texas Technological College, Prairie View A&M College, Tarleton State College, Lamar State College of Technology, Texas A&I College, and the proposed San Antonio university.

A State Senior College System would include Midwestern University, Pan American College, East Texas State College, Sam Houston State Teachers' College, Southwest Texas State College, West Texas

State University, Stephen F. Austin State College, Sul Ross State College and Angelo State College. ADULT ILLITERATE CLASSES — Going from higher education to the most basic sort of education, Connally told the Legislature that 13 per cent of the citizens in Texas over age 25 are functionally illiterate.

He recommended that this situation be met with a program administered by the Texas Education Agency under the Poverty Act. It would offer basic education courses in public schools to at least 10,000 functional illiterates each year.

Governor also asked that vocational and technical education programs in public schools and junior colleges be stepped up to meet coming employment requirements.

TEACHERS' PAY — Connally bypassed a bill by TSTA designed to raise minimum teachers' pay by \$45 a month. Instead, he endorsed a plan already in the form of a bill by Sen. Jack Strong of Longview. It provides for step-wise raises, with sizable pay increases for experienced teachers, and up to maximum teachers pay some \$650 a year.

His recommendation that teachers be allowed to take summer graduate work at State colleges and universities, free of tuition, received big applause.

WATER PLANNING — Connally adopted the Texas Research League's design for a master State water plan and expanded powers of the Water Development Board. Next day, he requested a \$290,000 emergency appropriation to get the project underway.

OTHER RECOMMENDATIONS — Gov. Connally came out strong for driver education programs in all schools, to be directed by the Dept. of Public Safety.

He urged passage of an Industry Safety Act; a one-cent cigarette tax increase in 1966; abandonment of the state property tax in seven years; support of the pooling bill to authorize the Railroad Commission to provide for pooling of separately-owned oil and gas interests in a common reservoir; poll tax repeal; and legal rights for women.

Then he asked the Legislature to revise the 1963 Election Code and take out the provision denying the right to vote to those who move their legal residence from one county to another during the six months prior to an election.

Last, but not least, Connally recommended that election laws be changed to provide that the

Governor and other state officials run for four-year terms, instead of two-year terms.

SHORT SNORTS — Rep. Gus Mutscher has introduced a proposed constitutional amendment to revive the Veterans Land Program, which will expire at the end of this year. A bill by Sen. Dorsey B. Hardeman of San Angelo, requiring the labeling of all meats imported from foreign countries and "knowingly" offered for sale

in Texas, was passed by the Senate with little objection. Senate Committee on Agriculture approved a proposal by Sen. Bruce A. Reagan of Corpus Christi to exempt oleomargarine made from milk made from the 10-cents a pound tax on colored margarine. A bill by Rep. Dick Cory proposed that county commissioners courts be given authority to up maximum county officer salaries as much as 30 per cent.

—OLD PHILOSOPHER—

Philosopher Comes Out, Almost, With National Drive To Whip Common Cold

Dear editor:

I was at a complete standstill out here on this Johnson grass farm yesterday hoping that somewhere in the plans for the Great Society they include a battery for a car or tractor that won't ever go dead, draw its energy from the sun or a television tower or anything just so when you punch the button something happens, not that dead silence that makes a man despair before his day starts.

Then I got to thinking. While I was at a standstill because of a dead battery, the President of the United States was at the same time at a standstill because of a bad cold, and I hope he used the situation to include a war on colds in his Great Society plans. As far as I'm concerned, there's no place in such a society for dead batteries or common colds, especially the latter.

For the price of one nuclear-powered submarine or one misfired shot at the moon we ought to be able to set up a bunch of scientists in a laboratory somewhere and tell them to forget the cost and not come out till they've found a vaccine for the common cold. It's my belief that any scientists with the brains to whip the whooping cough can whip the common cold. Somebody's just not trying hard enough.

In fact, if the bad cold had been fatal, we'd already have whipped it, but so long as it just makes people feel miserable, everybody seems to think it's something we have to endure from now on, like droughts and floods and nagging wives, but I don't agree. In fact, I'm half-lying with the idea of starting a national March of Penicillin Drive to stamp the thing out, but since I won't have time to serve as chairman, I've got to

get into town to see about this battery, I guess you could send your money to The Cameron Herald and let Publisher Luecke send it on to President Johnson, earmarked for the War on the Common Cold.

There's nothing more ridiculous than a group of finely-honed scientists hovering at the base of a ten-story, multi-billion-dollar rocket aimed at the moon having to postpone the flight on account of one of the astronauts has come down with a cold.

Yours faithfully,
J.A.

GAS DRYER BUYER DAYS

Texas Projects Vacation Image

AUSTIN - Utilizing an already favorable image as a prime winter vacation destination, Texas this month moves to further consolidate its national position and win new business.

Primary tool in its campaign is a six-week winter advertising schedule to attract snowbound Midwesterners.

The Texas Tourist Development Agency, which launched the campaign in mid-January, said the program marks two "firsts" for Texas: the first time the state has formally moved to gain its share of the burgeoning winter vacation market and the first time it has used radio to tell its story.

Importance of the step was emphasized by Gov. John Connally, upon whose recommendation Texas' first travel advertising program was authorized by the Legislature in September, 1963.

"A mid-December survey by the

Gallup Poll finds that Texas ranks fourth among the 50 states in the frequency with which it is mentioned as a destination by Americans planning winter vacations," the Governor said.

"The study revealed that only Florida, California and New York (including New York City), rank higher than Texas. This is indeed gratifying."

"At the same time, however, it emphasizes the further gains we can expect through active promotion of our fine winter climate. If Texas has achieved fourth place in the race for winter visitors without any effort on the state's part, we can logically expect far greater results with intelligent promotion."

TTDA said it will concentrate on five key Midwestern markets in its \$13,245 campaign: Chicago, St. Louis, Cleveland, Cincinnati and Detroit.

Plans call for a series of four 30-second black and white ads to run weekdays in the Chicago Tribune between January 15 and March 1. Also scheduled are 30 one-minute radio spots during the same period on each of four key radio stations in St. Louis, Cleveland, Cincinnati and Detroit. Special arrangements have been made with the stations to schedule the spots when particularly disagreeable winter weather is in progress in the cities.

The spots, as well as the newspaper ads, discuss the variety of sun-bathed scenery Texas offers the winter visitor: coastal beaches, semi-tropic Valley, mountains, desert, vibrant cities and the immediate proximity of Old Mexico which he Gallup Poll found the most popular of all winter vacation destinations outside the continental United States.

Also discussed are fishing, golfing and picknicking. Or, the opportunity to "lie in the sun and do nothing at all."

Each ad asks the prospective visitor to write TTDA for further details about winter holidays in Texas. Each respondent will receive, in addition to the Texas Highway Department's general literature about the state, specific information on areas that abound in warm winter sunshine. Arrangements have been made with the state's four regional chambers of commerce to supply detailed data on their sections.

Importance of the Midwest as a key prospect for Texas-type winter weather is emphasized by the December Gallup study which notes: Midwesterners appear to be more interested in travel to warmer areas than persons living in other areas of the country."

As for the growing importance of the winter vacation market, Gallup found that twice as many adults today say they plan to take a winter vacation as 10 years ago:

Bells, Belles, and Pork Chops

Now that the school bells are ringing daily for the youngsters around your house, it's time for you to be a belle in your kitchen!

Next time you're having pork chops, take a few liberties in their fixin'. Let canned onion dry soup mix (now in a new pictorial carton) help you be a skillet magician. Add some sweet potatoes, brown sugar, celery, and seasonings for a different and exciting dish. Complete your menu with cole slaw and frozen puff pastry apple dumplings.

Keep lots of canned onion dry soup mix on your shelf. Such a versatile product each little can is the biggest and best helper in meat preparation. It adds wonderful flavor to all meat and poultry dishes, as well as your favorite casseroles. And — it makes a great dip with sour cream!

GLAZED PORK AND SWEET POTATOES

4 pork chops (about 1 pound)
1 can (1½ ounces) onion dry soup mix
1½ cups water
½ cup sliced celery
½ cup brown sugar
3 tablespoons lemon juice
¼ teaspoon cinnamon
4 cups sliced sweet potatoes (about 1 pound)
1 tablespoon cornstarch
2 tablespoons water

In skillet, brown meat; pour off fat. Add soup mix, water, celery, brown sugar, lemon juice, and cinnamon. Cover; cook over low heat 15 minutes. Add potatoes; cook 30 minutes or until tender, stirring now and then. Remove meat and potatoes to heated platter. Combine cornstarch and water; blend into sauce, stirring until thickened. Pour over meat and potatoes. Makes 4 servings.

'New Look' Auto Plates On Sale

AUSTIN -- Monday was the day to line up for license plates again. Sales started Monday and will end April 1 throughout the state.

Texas Highway Department officials said a good many people rushed to buy plates the first week of sales, but the biggest flurry usually falls during the last week of March.

Current registration receipt, certificate of title — and money enough to pay for the plates — are needed to complete the transaction.

Last receipts or ownership papers may be replaced easily enough by sending 25 cents for each duplicate desired to the Department's Motor Vehicle Division in Austin (40th and Jackson Sts.). But remember — to issue a duplicate the Department needs your license number, make and vehicle identification number. Receipts may also be obtained from the county in which the vehicle was registered, by the way.

Texas license plates have a "new look" this year. Each passenger plate has a three-lettered prefix followed by two or three numerals. (Commercial and miscellaneous vehicles retain their own special registration system.) The new passenger registration system enables the Department to cope with the increasing vehicle registration.

Since World War II, approximately a quarter-million more vehicles have been registered yearly in the state. This trend should provide sufficient numbers for at least the next ten years.

Texas tags this year have black letters on white. Convinced that

black and white provide the most readable combination under both day and night conditions, the Highway Department alternates the color pattern. In odd years, plates have black lettering on white; in even years, it's just the opposite. It's also more economical to stay with two basic colors, the Department has decided.

Speaking of economy, plates provide a revenue source for building and maintaining roads. They also have another primary purpose: identification. Because of the latter, the Department strives for simplicity in plate design. Therefore, plates in Texas contain only the necessary information: license number, state and year.

The simplicity in design is of great value to the Texas police. The Texas Police Association has announced that an automobile is involved in 90 per cent of major crimes committed in the state.

FHA Emergency Loans Available For Flood Loss

Milam and Burleson Counties have been designated emergency loan areas authorizing Farmers Home Administration to make emergency loans, Henry N. Ivey, county supervisor for the Milam-Burleson County area has announced. Such loans are available to those who suffered losses during the recent flooding through parts of Milam County, if they are otherwise eligible and cannot obtain private credit at rates and terms that they could be expected to meet, Ivey said.

The FHA emergency loans bear 3 percent interest. The emergency loan funds may be used to repair or rebuild fences or replace productive livestock that have been lost due to the disaster, or to repair damaged crop land, terraces or pastures.

Any farmer or rancher interested in this type of loan may come to the Farmers Home Administration office in Cameron or Caldwell for further information and application blanks. The Cameron office is located at 109 West 2nd Street and is open Monday through Friday from 8 a.m. to 5 p.m. The Caldwell office is in the courthouse and is open every Thursday from 10 a.m. to 4 p.m.

Frequently the words "frog" and "toad" are incorrectly used. In general, frogs have smooth skins and toad warty skins.

The mullet is the only fish rich enough to fry in its own fat.

TEXAS 1964 AVERAGE STATE SALES TAX TABLE

This table is based on the Texas general sales tax of 2 percent. It may be used when deducting sales tax on Form 1040. If the table is not used, sales tax deductions must be itemized and substantiated. Deductible sales tax on the purchase of automobiles and gasoline (gas of 6 cents a gallon are not included in the table and must be itemized separately).

Income as shown on line 8, page 1, Form 1040	Family Size (Persons)	1 & 2	3 & 4	5	6 or more

Local Group To See Area Garden Program

HD Club members of Milam County are planning an educational tour to Waco along with Landscaping Result Demonstrators to attend the program, "Small Area Gardens," presented by Mr. Fred Buxton at the Waco Garden Center. All interested homemakers in the county are invited to accompany the HD Club women to this meeting, according to Anna Marie Ramke, HD Agent.

The women will meet at the Cameron Post Office at 8 a.m. February 5 and travel to Waco as a group.

o'clock A.M. at the Commis-
sioners' Courtroom at the Courthouse
in Cameron, Texas, select and
enter into a contract with, a bank-
ing corporation, association or in-
dividual banker in Milam County,
Texas, for the depositing of the
public funds of such county in
such bank or banks in accordance
with the provisions of Articles
2544 et seq. Vernon's Annotated
Texas Statutes.

Any banking corporation, asso-
ciation or individual banker in
such county desiring to be de-
signed as county depository shall
make and deliver to the County
Judge an application applying for
such funds and said application
shall state the amount of paid up
capital stock and permanent sur-
plus of said bank and there shall
be furnished with said application
a statement showing the financial
condition of said bank at the date
of said application which shall
be delivered to the County Judge
on or before the first day of the
term of the Commissioners' Court
at which the selection of the de-
positories is to be made. Said
application shall also be accom-
panied by a certified check for
not less than one-half of one per
cent of the county's revenue for
the preceding year as a guarantee
of the good faith on the part of
said bank, and that if said bank
is accepted, as county depository,
that it will enter into the bond
hereinafter provided.

Jones Prairie —

By Mrs. R. K. Fontaine
Mr. Pool Jamison of Freeport
was a weekend guest of his mother
and sister, Mrs. Verna Jamison
and Miss Louise.

Dr. and Mrs. Billy Yager and
children of San Marcos were week-
end guests of his parents, Mr.
and Mrs. E. B. Yager, and Billy
attended services at Little River
Baptist Church Sunday.

Mr. and Mrs. Elbert Hope Jam-
ison and children, Kaye and Jerry,
of Freeport were weekend guests
of his parents, Mr. and Mrs. Hope
Jamison Sr.

Rev. and Mrs. Don Callaway of
Fort Worth were Sunday dinner
guests of Mr. and Mrs. Lester
Turner in Cameron. Mr. and Mrs.
Luther Todd were guests also.

Mrs. Etta Black is a medical
patient in Newton's Memorial Hos-
pital in Cameron.

Mrs. Julian Burnett is a medical
patient in Newton's Memorial Hos-
pital in Cameron.

Mr. and Mrs. Irvin Stoker visited
relatives in Waxahachie this week-
end.

Mr. and Mrs. Frank Black were
Sunday guests of Mr. and Mrs.
Ed White in Kosse.

Gopher turtles of the South and
West are exclusively terrestrial and
never go near water.

Honey bees carry water as well
as honey. Special carriers bring
it to the hive, dole it out, seal
it in cells, or even act as storage
tanks themselves until the water
is needed.

"I use the anti-freeze I adver-
tise in the Want Ads myself —
and I'm never cold!"

I'll bet you didn't know that:
Fish, like humans, get seasick
if left to the mercy of the waves
for an extended period.

The mountain lion, largest cat
in North America, is the only
one that has a long tail and is
unspotted when fully grown.

We wish to express our thanks and deep
appreciation to all who came to be with
us, to all who sent flowers, to all who
sent food and for the many words and
deeds of kindness and condolence be-
cause of the untimely and tragic death
of our dear "SLIM".

Mr. & Mrs. Floyd Stark

Mr. & Mrs. George Pierce & Family

Mr. & Mrs. Clovis Sammon & Mike

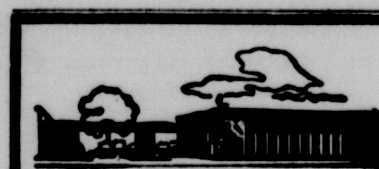

Perfect tribute to
love and devotion
Fitting symbol of love
everlasting is a monu-
ment chosen here.

Charles E. Russell, 78, a resident of Yarrellton community since 1907 died suddenly in St. Edward Hospital Friday evening. He was born Feb. 25, 1886, in Fayette County, Texas, where he made his home before moving to Milan County.

He is survived by his wife, Mrs. Lena Mae Russell; five children, Mrs. R. M. Vancay of Abilene, Mrs. G. L. Gallatin, Austin, Mrs. E. L. Parker, Morgan City, La., Lee Roy Russell, Orange, Bobby L. Russell, Santa Barbara, Calif. Also 11 grandchildren; two sisters, Mrs. N. W. Gandy, Temple and Mrs. Lydia Pillow, Lyons; one brother, J. J. Russell, Cameron.

Funeral services were held at 2 p.m. Sunday in the chapel of Green's Funeral Home, Cameron, with the Rev. Ronnie Woolery officiating. Burial was in North Elm Cemetery.

Dallas Firm Awarded

County Road Job

A contract for 0.643 miles of construction on F.M. 1600 in Milan County has been awarded to a Dallas firm, it was announced in Austin this week by the State Highway Commission.

Shandel Construction Company, Inc., submitted the low bid of \$87,160.73 on the project. Grading, structures, base and surfacing from 5.7 miles south of Cameron, south 6 mile, is expected to take 85 working days, according to C. B. Thames, District Highway Engineer at Bryan.

Carol D. Zeigler, Resident Engineer at Hearne will be in active charge of the project while it is under construction.

—BURLINGTON NEWS—

By Mrs. George Logan
Mr. and Mrs. Henry Litzman enjoyed a fish dinner Friday in a Cameron cafe honoring Henry's birthday.

On Sunday Henry Litzman of Burlington and Mr. Frank Plachy of Cameron enjoyed a birthday dinner at the home of Mr. and Mrs. H. J. Litzman of Cameron in honor of Mr. Litzman and Mr. Plachy's birthdays. Mr. Plachy is Mrs. H. J. Litzman's father.

Little Maurie Bostick of Temple spent a few days here in the home of her grandparents, Mr. and Mrs. Phil Krause.

Mr. Charlie Boehme was a recent guest of Mr. and Mrs. Robert Lueck in Rosebud.

Mr. and Mrs. Henry Boehme and family of La Marque were recent guests of Mr. and Mrs. George Barkemeyer here.

Mr. and Mrs. Herman Dornier Jr. and family left Friday for Fort Polk, La., for a visit to Wayland Dornier who has been stationed there. He is to be transferred soon to another place.

Mr. and Mrs. Sam Ferguson of Temple and Hope Ferguson of Houston were guests of Mr. and Mrs. Roy Lindsey Friday.

Hope Ferguson is doing some painting in Temple for a few days.

Mr. and Mrs. A. E. Hensel spent last weekend in Dallas with their children and grandchildren, Mr. and Mrs. Thomas Wilcox and family.

Mrs. Fritz Stoeber entertained the 42 Club Tuesday, Feb. 2. Delicious refreshments were served.

Carroll Warschak of A&M University was home last week. He and his father made a trip to the Valley.

Mr. and Mrs. Billie Wayne Marek of Dallas were accompanied home by his father, Walter Marek Sr., for a visit.

Mr. and Mrs. Billie Lewis Stuessel of Temple visited relatives here last week.

Mr. and Mrs. Woodrow Wright and Mrs. Mildred Williams of Houston spent Saturday in Rose-

bud and Burlington and visited Mr. J. J. Foshea in the Halbert Rest Home at Rosebud.

Mr. and Mrs. Willie Johnson of Gatesville were guests of Mr. and Mrs. Pat Rice Saturday and attended to business.

Mr. and Mrs. Pat Rice were at Fairfield Sunday for a visit to relatives.

Mr. and Mrs. Walter Hasselman and Mr. and Mrs. Bill Piper, all of Houston, visited relatives and friends in Rosebud and Burlington Saturday and Sunday.

Miss Margaret Hargrove of Rosebud spent part of last week in Burlington with her Grandmother Wied.

The following relatives enjoyed the celebration of Mrs. F. H. Wied's birthday at her home here: Mr. and Mrs. Joe O'Neill and family of Waco, Mr. and Mrs. Irvin Wied and family of Cameron and Mr. and Mrs. J. C. Hargrove and family of Rosebud.

Relatives here have learned of the illness of Mrs. Nora McClain in Kings Daughters Hospital in Temple.

Mr. and Mrs. Fritz Stoeber had word that their grandchildren, Mr. and Mrs. Herbert Alexander and family, are being transferred from Corpus Christi to Houston where he is foreman at a store.

IN THE SERVICE

ORLANDO, Fla. — Staff Sergeant John B. Sapp, son of Mr. and Mrs. J. B. Sapp of 611 West Second St., Cameron, has arrived for duty at McCoy AFB, Fla.

Sgt. Sapp, an aircraft gunner, previously served at Shaw AFB, S.C. His new unit is part of the Strategic Air Command which keeps the nation's intercontinental missiles and jet bombers on constant alert.

The sergeant is a graduate of Rockdale High School. He is married to the former Barbara J. Harrison.

LITTLE RIVER VALLEY

Green was the valley,
A valley I once knew,
Where the streams ran clear,
And the tall trees grew.

Clean was the air,
With a sky so blue,
Where the birds in the meadow,
Sang sweet music to you.

Warm was the sun,
As it arose each morn.
Young was the world,
As each day was born.

Charm it possessed,
Arrayed in gala bloom,
Of purple cotton blossoms,
And fields of tasseling corn.

Quiet were the nights,
Lying peaceful and still,
With a yellow moon,
Coming over the hill.

Bright were the stars,
The heavens, they did fill.
This was my valley, Little River
Valley,
So beautiful and tranquil.

—Jesse Wilkerson

TAKE YOUR PROBLEMS TO CHURCH THIS WEEK

Millions Leave Them There!

COGS THAT CREATE GREAT POWER FOR GOOD

Members of a church working together, as cog wheels in a piece of machinery, can and often do create a tremendous amount of power for good. The blessing about this particular kind of power is that it accrues to the benefit of the individual, whether member or one to whom the church extends a helping hand. The power generated by such coordinated effort is strikingly illustrated in the early history of the Christian Church when it conquered the Roman Empire.

Since the Church is a boon to, and champions the liberty of the individual it follows that one who supports the church by regular attendance, finance and work is certain to benefit both spiritually and materially. The greater the number of people (cogs) who support any church in a coordinated manner the greater the power that will accrue for each and every member.

This Church Page presented under auspices of The Cameron Ministerial Association - Is made possible by the courtesy of the following business people in Cameron, Buckholts, Rogers, and Temple.
